

Casual Introduction to Neighbor Network

Subject: Hi from Your New Property Management Team!

Hi [Neighbor Name],

I wanted to drop you a quick note to introduce myself! I'm [Your Name] from [Property Management Company Name], and we've recently started managing the property at [Property Address] in your neighborhood.

We're big believers in being good neighbors and maintaining properties that everyone can be proud of. Our goal is to keep the place looking great and ensure any tenants are respectful members of the community.

If you ever notice anything concerning about the property - whether it's maintenance issues, landscaping needs, or anything else - please don't hesitate to reach out. We truly appreciate having extra eyes on the property, and we want to be responsive to the neighborhood's needs.

You can reach me anytime at [Phone Number] or [Email Address]. We're here Monday through Friday from [Hours], and we have an emergency line available 24/7 at [Emergency Number].

Thanks for being such a great neighbor, and please feel free to contact me if you have any questions or concerns!

Best,

[Your Name]
