

Informal Appreciation Message

Hi [Agent Name]!

Just wanted to drop you a quick note to say THANK YOU for everything! House hunting with you was actually fun (who knew that was possible?).

You totally got what we were looking for and didn't waste our time showing us places that weren't a fit. Plus, you saved us from making that huge mistake with the house on Oak Street - you're a lifesaver!

We're loving our new place and already planning our housewarming party. You're definitely invited!

Thanks again for being awesome.

Cheers,

[Your Name]
