

Lighthearted recommendation

Subject: Youâ€™d Be Lucky to Have [Friendâ€™s Name]!

Hey [Recipientâ€™s Name],

Iâ€™m writing to recommend my friend [Friendâ€™s Name]. Not only are they ridiculously smart and hardworking, but they also know how to make everyone around them laughâ€”something I think any team could use more of!

They may not make the best coffee, but I promise youâ€™ll get someone who is reliable, talented, and always willing to go the extra mile.

Hire them before someone else doesâ€”you wonâ€™t regret it!

Cheers,

[Your Name]
