Research Internship Recommendation - Academic

Subject: Research Internship Recommendation for [Student Name]

Dear [Selection Committee/Program Director],

I am pleased to recommend [Student Name] for the [research internship program name] at [Institution Name]. As [his/her/their] research supervisor for [project name/duration], I have directly observed [his/her/their] research capabilities and intellectual curiosity.

[Student Name] has been instrumental in [specific research project], where [he/she/they] demonstrated exceptional skills in [research methods/techniques]. [His/Her/Their] contributions include [specific contributions], which have advanced our understanding of [research topic].

[He/She/They] has shown remarkable ability to design experiments, analyze complex data, and draw meaningful conclusions.

What distinguishes [Student Name] is [his/her/their] genuine passion for [research area]. [He/She/They] regularly goes beyond assigned tasks, exploring relevant literature and proposing innovative approaches to research challenges. [His/Her/Their] critical thinking skills and attention to methodological rigor are characteristic of a promising researcher.

[Student Name] has co-authored [number] papers/presentations and has presented findings at [conference/meeting]. [His/Her/Their] ability to communicate complex scientific concepts clearly, both in writing and orally, is commendable.

The [research internship program] would provide [Student Name] with an ideal environment to further develop [his/her/their] research skills, and I am certain [he/she/they] will make significant contributions to your program.

Best regards,

[Your Name]

[Your Title and Credentials]

[Institution]
