

Technical Skills-Focused Recommendation - Professional

Subject: Technical Recommendation for [Student Name] - [Internship Position]

Dear [Hiring Manager],

I am writing to recommend [Student Name] for the [technical internship position] at [Company Name]. As [his/her/their] instructor for [technical courses] and supervisor for [technical projects], I can confidently attest to [his/her/their] technical proficiency and problem-solving abilities.

[Student Name] has demonstrated mastery of [programming languages/software/technical tools] and has applied these skills to real-world projects. In [specific project], [he/she/they] [specific technical achievement], showcasing both technical depth and practical application abilities. [His/Her/Their] code is clean, well-documented, and follows industry best practices.

Beyond technical skills, [Student Name] excels at debugging complex problems and learning new technologies rapidly. When faced with [specific challenge], [he/she/they] [approach taken], demonstrating resourcefulness and persistence. [He/She/They] actively contributes to [technical community/open-source projects/hackathons], further developing [his/her/their] skills outside the classroom.

[Student Name] also possesses strong collaboration skills, having worked effectively in team projects using [version control/agile methodologies/collaborative tools]. [He/She/They] communicates technical concepts clearly to both technical and non-technical audiences.

I am confident [Student Name]'s technical abilities and professional approach will make [him/her/them] a valuable contributor to your engineering team.

Best regards,

[Your Name]
