

Academic Award Nomination Letter

Dear Awards Committee,

I am honored to nominate [Student Name] for the [Award Name]. As [Your Title] at [Institution], I have worked closely with [Student Name] as their [mentor/instructor/supervisor] and witnessed firsthand the exceptional qualities that make them deserving of this recognition.

[Student Name]'s academic achievements are outstanding. They have maintained a [GPA/class ranking] while taking on challenging coursework and scoring in the [percentile] on [Step exams]. However, what truly distinguishes [Student Name] is how they balance academic excellence with meaningful contributions to research, clinical care, teaching, and community service.

In research, [Student Name] has [authored publications/presented at conferences/contributed to projects], showing intellectual curiosity and scientific rigor. Clinically, they receive consistently stellar evaluations for [specific skills/qualities]. As a peer tutor/teaching assistant, they have helped numerous struggling students succeed, demonstrating generosity and leadership. Their volunteer work with [organizations] reflects genuine commitment to service.

[Student Name] embodies the values this award celebrates: academic excellence, professional integrity, compassionate care, and dedication to advancing medicine. Colleagues and patients alike describe them as [positive qualities], and their positive impact on our academic community is undeniable.

It would be difficult to identify a more deserving candidate. [Student Name] represents the best of medical education, and I nominate them with the highest enthusiasm.

Sincerely,

[Your Name, Credentials]
