

Research-Focused Recommendation

Subject: PhD Recommendation – Emphasis on Research Ability

Dear [Admissions Committee],

I am writing to highlight [Student Name]'s research potential for your PhD program in [Field].

Over the course of [duration], [he/she/they] has consistently demonstrated originality, perseverance, and technical expertise in [specific area].

Particularly noteworthy is [Student Name]'s work on [project or publication], which involved [brief details]. This project exemplifies [his/her/their] ability to formulate research questions, design experiments, and interpret results independently.

I strongly recommend [Student Name] as a candidate who will excel in rigorous academic research.

Sincerely,

[Your Name]

[Position]

[University/Organization]
