

Research-focused faculty recommendation

Subject: Recommendation for [Candidate Name]

Dear [Recipient Name],

I am delighted to recommend [Candidate Name] for the [Faculty Position] at [University]. Their research in [field/area] has consistently demonstrated innovation, rigor, and substantial contribution to the academic community.

Notably, [Candidate Name] has published [number] articles in high-impact journals and presented at numerous international conferences. Their research vision and ability to secure funding for projects exemplify a leader in academia.

I strongly endorse [Candidate Name] for your consideration.

Sincerely,

[Your Name]

[Position]

[Institution]
