

Community Service Scholarship Recommendation

To Whom It May Concern,

I am honored to recommend [Student Name] for [Scholarship Name]. As [Director/Coordinator] of [Organization Name], I have worked closely with [him/her/them] for [time period] and have been consistently inspired by [his/her/their] dedication to community service and social impact.

[Student Name] began volunteering with our organization in [year] and has since contributed over [number] hours of service to [specific cause/population]. Unlike many volunteers who participate occasionally, [he/she/they] has taken on leadership roles and initiated programs that have made lasting impacts on our community.

One particularly noteworthy achievement was [Student Name]'s creation of [specific program/project]. This initiative addressed [specific community need] and has served [number] individuals/families. [He/She/They] not only designed the program but also recruited volunteers, secured resources, and evaluated outcomes—demonstrating project management skills beyond [his/her/their] years.

What sets [Student Name] apart is the genuine compassion and respect [he/she/they] shows to everyone [he/she/they] serves. [He/She/They] doesn't view service as resume-building but as a calling to make a tangible difference in people's lives. Individuals we serve consistently mention [Student Name] by name as someone who listened, cared, and helped them navigate difficult circumstances.

[Student Name] is pursuing a degree in [field] with the goal of [career objective related to service]. This scholarship would enable [him/her/them] to focus on studies while continuing [his/her/their] valuable community work. Our organization and the community members we serve would greatly benefit from [his/her/their] continued involvement.

I wholeheartedly support [Student Name]'s application and believe [he/she/they] embodies the values this scholarship represents. Please feel free to contact me at [email] or [phone] for any additional information.

With deep respect,

[Your Name]
