

Informal Email for a Recreation Camp Counselor Job

Subject: Excited to Join Your Team as a Camp Counselor!

Hey [Hiring Manager's Name],

I saw your post about needing camp counselors for [Camp Name], and I just had to apply! I love working with kids and have spent the last few summers running group activities, hikes, and games at [Previous Camp or Center].

I'm upbeat, patient, and quick to create fun environments where everyone feels welcome.

I'm confident I could bring energy, teamwork, and safety awareness to your camp this season.

Hope to hear back soon – I'm ready to bring the fun!

Cheers,

[Your Name]
