

Creative Freelance Design Project Request

Subject: Design Project Quote - Brand Identity Package

Hey [Designer Name]!

I came across your portfolio online and absolutely love your style! I'm reaching out because I'm launching a new coffee roasting business and need some creative help with branding.

What I'm looking for:

- Logo design (multiple concepts and revisions)
- Business card design
- Packaging design for coffee bags (3 different blends)
- Simple website mockup
- Social media templates

The vibe I'm going for is rustic meets modern - think artisanal craft with clean lines. I want something that feels authentic and premium but not pretentious.

I'd love to see your initial ideas and get a quote for the full package. My budget is around \$3,000-4,000 for everything, and I'm hoping to have it completed within 6-8 weeks.

Are you available for a quick call this week to discuss the project? I'm super excited about this venture and would love to work with someone who gets the vision!

Thanks so much!
