

Heartfelt Wedding Photography Request

Subject: Our Dream Wedding Photography Quote

Dear [Photographer Name],

We're getting married! After seeing your stunning work on Instagram, we knew we had to reach out.

Your style is exactly what we've been dreaming of for our special day.

Wedding Details:

- Date: [Date]
- Venue: [Location] (outdoor garden ceremony, indoor reception)
- Guest count: 120 people
- Style: romantic, natural, candid moments

We're looking for someone who can capture not just the big moments, but all the little details and emotions that make our day unique. Your ability to tell a story through photos is exactly what we want.

Services we're interested in:

- 8-10 hours of wedding day coverage
- Engagement session
- Getting ready photos for both bride and groom
- Ceremony and reception coverage
- Online gallery for guests
- Wedding album

We'd love to meet for coffee to discuss our vision and see if we're a good fit. Our budget is around \$4,000-5,000, and we're flexible on packages.

This is such an important day for us, and we want to work with someone who's as excited about it as we are!

Can't wait to hear from you!

With love,
