

Climate/Environmental Preference Transfer Request

Subject: Request for Transfer to [Target Branch]

Dear [Manager's Name],

I am writing to request a transfer to the [Target Branch] location. After [duration] of dedicated service at [Current Branch], I am seeking a change of environment that better suits my personal preferences and lifestyle goals.

The [location] area offers [specific benefits such as climate, outdoor activities, cultural opportunities] that align with my long-term personal objectives. I believe that working in an environment where I feel more personally fulfilled will enhance my professional performance and commitment to the organization.

I have consistently delivered strong results at [Current Branch] and am confident I can transfer this same level of dedication and productivity to [Target Branch]. My skills in [relevant areas] would be valuable assets to the team there, and I am excited about the opportunity to contribute to their success.

I am prepared to coordinate closely with both branches to ensure minimal disruption during the transition. I am flexible regarding timing and willing to accommodate the needs of both locations.

Thank you for considering this request. I look forward to discussing this opportunity with you.

Sincerely,

[Your Name]
