

Academic Research Authorization

Subject: Request for Research Access Permission

Dear [Research Director/Department Head],

I am [Your Name], a [degree level] student at [University Name] conducting research for my [thesis/dissertation/project] titled "[Research Title]" under the supervision of [Supervisor's Name].

I am writing to request permission to access [specific resources/facilities/data/archives] at your [institution/organization] for my research on [brief research topic]. This research aims to [main objective] and will contribute valuable insights to [field of study].

My research has been approved by the [University Ethics Committee/IRB] and all ethical guidelines will be strictly followed. I have attached:

- Research proposal summary
- Ethics approval letter
- Letter of recommendation from my supervisor
- Proof of student enrollment

I require access for approximately [duration] beginning [start date]. I am flexible with scheduling and can work around your facility's operational requirements. All findings will be shared with your organization upon completion, and proper attribution will be given in any publications.

I would be grateful for the opportunity to discuss my research in detail and address any questions or concerns you may have. Your support would be invaluable to the success of this research project.

Thank you for your time and consideration.

Respectfully yours,

[Your Name]
