

Request Letter for Re-admission After Withdrawal

Subject: Request for Re-admission to the School

Dear Principal,

I am writing to request re-admission for my son, Yusuf, in Grade 8. We had to withdraw him temporarily last year due to health reasons. Thankfully, he has now fully recovered and is eager to continue his studies.

Yusuf was previously enrolled in your school and had shown great improvement during his time there. We would be very grateful if he could be readmitted for the coming term.

Please let us know the re-admission process and any documents required. Thank you for your time and understanding.

Respectfully,

[Your Name]
