

Provisional Request Letter for NOC Pending Clearance

Subject: Request for Provisional NOC

Dear Sir/Madam,

I recently completed the repayment of my loan, account number [Loan Account Number]. While the final clearance formalities are still underway, I request a provisional No Objection Certificate (NOC) for submission to a third party as part of my application process.

I understand that the final NOC will be issued upon complete verification, but this provisional document will help me meet an urgent deadline.

Your prompt assistance will mean a lot.

Sincerely,

[Your Name]
