

Heartfelt resignation after maternity leave

Subject: Thank You and Resignation

Dear [Manager's Name],

This has been one of the most difficult decisions I've had to make. After welcoming my new baby and spending this time with my family, I realized that my priorities have shifted, and I will not be able to return to my role at [Company Name].

I want to express my deepest gratitude for the kindness and flexibility shown to me throughout my journey here. The support I've received during my pregnancy and maternity leave has been remarkable, and I will always remember it with appreciation.

Although I will miss my colleagues and the rewarding work, I believe this is the best decision for my family at this stage. Please know that I am committed to making this transition as smooth as possible.

Warm regards,

[Your Full Name]
