

Official resignation after extended maternity leave

Subject: Official Resignation After Maternity Leave

Dear [Manager's Name],

I am writing to officially resign from my position at [Company Name], effective immediately. I had initially intended to return after maternity leave but extended family commitments have made it impossible for me to resume work.

I would like to thank you and the organization for the opportunities and trust you placed in me. It has been an honor to work here, and I am grateful for all the support extended during my time with the company.

Please consider this as my formal resignation letter.

Sincerely,

[Your Full Name]
