

Funny Yet Polite Resignation Email With Notice Period

Subject: Time for My Next Adventure

Hi [Manager's First Name],

It's time for me to hand in my official notice—don't worry, it's not because of your coffee-making skills! I'll be serving my [X-week] notice period, which makes my last day [date].

On a serious note, I've loved working here and learned a lot. I'll make sure all my work is wrapped up before I go. Let's grab a farewell coffee (I promise not to complain about it).

Cheers,

[Your Name]
