

Lighthearted resignation email

Subject: Goodbye, Itâ€™s Not You, Itâ€™s the Job

Hi [Managerâ€™s Name],

Well, this is awkward. Iâ€™m resigning from my position as [Job Title], effective [date]. It turns out the job wasnâ€™t what I expectedâ€”kind of like ordering pizza and getting a salad instead.

Healthy, but not what I signed up for!

Iâ€™ve enjoyed the time here and working with the team, but itâ€™s best I step aside. Thanks for the laughs, the coffee, and the experience.

All the best,

[Your Name]
