

Casual Startup-Style Rejection Email

Subject: Thanks for applying to [Company Name]!

Hi [Candidate Name],

Thanks so much for applying to join our team as a [Position Title]! We really appreciate you taking the time to learn about what we're building.

After reviewing all the applications, we've decided to go with someone whose experience is a closer match for what we need right now. It was definitely a tough decision - there were so many great candidates!

Keep an eye on our careers page because we're growing fast and new opportunities pop up regularly. Your background in [relevant skill] would be awesome for future roles we're planning.

Thanks again for your interest, and best of luck with your search!

Cheers,

[Your Name]

[Company Name] Team
