Subject: Quick Discussion About Salary

Hi [Manager's Name],

Thanks so much for the offer for the [Position] role! I'm really excited about joining [Company Name] and working with the team.

I was wondering if we could discuss a slight adjustment to the salary. Based on my experience and industry standards, I'd like to propose [Proposed Salary]. I hope this can work for both sides.

Looking forward to your thoughts!

Cheers,

[Your Name]
