

## Small Business Sales Proposal Email

Hi [Client Name],

I wanted to reach out and share a proposal for our [Product/Service] that could really help your business grow. We have designed a package specifically for small businesses like yours, offering [key benefits/features].

I've attached a summary with pricing and options. Let me know if you'd like to hop on a quick call to discuss how we can tailor this for your needs.

Looking forward to your thoughts!

Best,

[Your Name]
