

Student Account Parental Authorization

Subject: Parental Authorization for Student Account Access

Hello [Bank Name] Team,

As the parent/guardian of [Student's Name], I am requesting limited access authorization to monitor and assist with their student account [Account Number].

My child is [age] years old and attending [School Name]. While maintaining their financial independence, I need access for:

- Emergency fund transfers
- Monitoring for unusual activity
- Educational guidance on banking
- Assistance with budget management
- Emergency contact purposes

I am not seeking full control but rather supervisory access to ensure my child's financial safety and learning.

Please set up appropriate access levels that respect both my parental concerns and my child's growing independence.

Both my child and I are available to visit the branch together to complete necessary paperwork.

Thank you for supporting our family's banking needs.

Warmly,

[Parent Name]
