

Serious Break Up Letter for Long Distance Relationship

Dear [Name],

I have been reflecting deeply about our relationship, and I feel it's important to be honest with both you and myself. The distance between us has grown into more than just physical miles. It has created emotional gaps that we haven't been able to bridge despite our best efforts.

This decision is not made lightly, but I feel it's necessary to end our relationship at this point. I want you to know that this doesn't diminish the love I've had for you or the moments we shared. It's simply the reality of our circumstances.

I wish you all the best in life, and I will always think of you with respect and gratitude.

Sincerely,

[Your Name]
