

Emotional Break Up Letter for Long Distance Relationship

My Dearest [Name],

Even as I write these words, tears fall because I never thought I'd have to say goodbye this way. I love you deeply, but the distance between us has left me feeling empty and lonely. I've realized that our hearts need more than messages and phone calls to stay connected.

This decision hurts me more than I can explain, but I believe it's the right one for both of us. I will never forget the love you gave me, the laughter we shared, and the comfort I found in your words. You will always hold a piece of my heart.

I hope one day you'll understand and forgive me. Please take care of yourself.

With love always,

[Your Name]
