

Provisional Break Up Letter for Long Distance Relationship

Dear [Name],

I need to be honest with you about how I've been feeling. The long distance has been wearing me down, and I'm not sure I can continue this way. I think it's best that we take a break from each other to see where life leads us.

This doesn't mean I don't care for you—quite the opposite. It's because I care that I want to be upfront. If life brings us back together, I'll be grateful. But for now, I think we both need space.

Sincerely,

[Your Name]
