

Creative Cover Email for Graphic Designer Position

Subject: Bringing Visual Storytelling to Life at PixelWorks

Hi [Hiring Manager's Name],

Design is not just my career – it's my language. I came across your opening for a Graphic Designer, and I immediately imagined how I could add a fresh layer of creativity to PixelWorks's visual identity.

At my current position with ArtFlow Studio, I've designed cross-platform campaigns that combined bold colors and minimal typography – resulting in a 25% boost in online engagement. I thrive on collaboration, constant learning, and transforming concepts into powerful visuals.

Let's connect to discuss how I can bring your design ideas to life. Portfolio attached below for your reference!

Warm regards,

[Your Name]
