

Lighthearted Farewell Speech

Hello everyone,

Well, it seems the time has finally come for me to escape! I mean, move on to new adventures! I

promise not to think of all the times you've made me laugh at work/school too fondly.

Thank you for all the memories, the inside jokes, and the occasional chaos that made every day

memorable. I leave you with one request: don't work too hard without me.

Here's to laughter, friendship, and staying in touch!
