

Formal Referral Letter to Specialist

Subject: Referral for Specialist Consultation

Dear Dr. [Specialist's Name],

I am referring my patient, [Patient Name], age [Patient Age], to your care for further evaluation and management of [specific condition]. The patient has been under my care since [Date], and despite standard treatment, the symptoms persist.

Enclosed are the relevant medical records, lab results, and imaging reports for your review. I trust your expertise will provide advanced assessment and recommendations for optimal management.

Please advise on the next steps and feel free to contact me for any additional information.

Sincerely,

[Your Name]

[Medical Practice / Clinic Name]
