

Deferment due to long-term medical treatment

Dear [Loan Officer's Name],

I am writing to formally request a deferment on my monthly loan payments for a period of six months, due to ongoing treatment for a serious medical condition.

I have attached medical reports and treatment estimates to this letter. I remain committed to the loan and request your consideration for a revised payment plan once my treatment concludes.

Thank you for your empathy.

Sincerely,

[Your Name]
