

Medical Emergency Deferment Request

Subject: Request for Loan Instalment Deferment Due to Medical Emergency

Dear [Lender's Name/Loan Officer],

I am writing to formally request a temporary deferment of my loan instalments for account number [Account Number]. Due to an unexpected medical emergency, I am currently unable to meet my financial obligations as originally scheduled.

On [Date], I was diagnosed with [condition/underwent surgery] which has resulted in significant medical expenses and a temporary loss of income during my recovery period. I have been a reliable borrower with a consistent payment history, and this situation is entirely unforeseen.

I am requesting a deferment period of [X months], starting from [Date]. I have attached relevant medical documentation to support this request. I remain committed to fulfilling my loan obligations and propose to resume regular payments on [Date], with the deferred amount to be added to the end of the loan term.

I would appreciate the opportunity to discuss this matter further and explore available options.

Please contact me at [Phone Number] or [Email Address] at your earliest convenience.

Thank you for your understanding and consideration during this difficult time.

Sincerely,

[Your Name]
