

Funny and Light-hearted Speech by Guest of Honor at College Festival

Dear Students and Faculty,

It's fantastic to see so much energy and creativity here today. I must admit, I feel slightly intimidated by the talent on display—I wasn't this energetic even in my youth!

Remember, festivals are a time to have fun, experiment, and maybe even embarrass yourself a little—it's all part of the experience. Enjoy, laugh, and make memories that you will fondly recall in the years to come.

Thank you for having me and keeping the fun alive!
