

Preliminary speech for new candidate introduction

Subject: Taking the First Step Toward Change

Greetings everyone,

This is my first time standing as a candidate, and I am both nervous and excited. I may not have years of experience, but I do have fresh ideas, genuine passion, and the will to make a difference.

I want to listen, learn, and represent your concerns honestly. Let's take this journey together
" not as a leader and followers, but as partners in progress.

Thank you for giving me the opportunity to serve.
