

Funny Wedding Speech by the Sibling

Hello everyone,

I have the joy and slight terror of giving this speech today as [Partner 1]'s sibling. Growing up with [Partner 1] taught me many lessons, like how to dodge pranks and survive endless storytelling.

Seeing [Partner 1] find [Partner 2] has been both inspiring and reassuring because someone finally appreciates their quirks as much as we do. Remember, marriage is finding someone who will tolerate your weirdness forever.

Let's raise our glasses to love, laughter, and avoiding arguments over the remote. Cheers to [Partner 1] and [Partner 2]!
