Emotional maid of honor introduction

Subject: Introducing the Maid of Honor

Good evening, everyone!

Before we continue with tonight's celebrations, I have the absolute pleasure of introducing someone very special to our beautiful bride - her maid of honor and best friend since childhood, Jessica Martinez.

Jessica and Emma met in third grade when Jessica shared her lunch with Emma on her first day at a new school. That act of kindness blossomed into a friendship that has weathered twenty-two years, three states, countless late-night phone calls, and more adventures than I can count.

Jessica was there when Emma got her first job, celebrated every promotion, and was the first person Emma called when she met the love of her life, David. She's the sister Emma never had by blood but gained by choice.

As a pediatric nurse, Jessica dedicates her life to caring for others, and tonight she brings that same loving spirit as she honors her dearest friend. She has a few words to share about the bride and groom.

Please join me in welcoming Jessica Martinez!
