

# Retirement Farewell Speech

Dear colleagues and friends,

After [X] years at [Company/Organization], today I stand before you with gratitude and humility. This place has been more than just a workplace; it has been a second home filled with memories, growth, and meaningful relationships.

I want to thank my mentors, my peers, and my team for walking alongside me in this journey.

Together, we have achieved so much, and I am proud to have been part of this organization's story.

Although I am retiring, I look forward to the new adventures life has in store. I will always cherish the time we spent together and carry the lessons I learned here into the future.

Thank you for everything.
