

Local Business Sponsorship for Youth Sports Team

Subject: Sponsorship Request for [Team Name] Youth Baseball Team

Hi [Business Owner Name],

My name is [Your Name], and I'm the coach of the [Team Name], a youth baseball team for kids ages 10-12 in our community. I'm reaching out to see if [Business Name] would be interested in sponsoring our team this season.

Our team is made up of 15 enthusiastic kids who are learning not just about baseball, but also about teamwork, dedication, and sportsmanship. Many of these families face financial challenges, and sponsorship help ensures every child can participate regardless of their economic situation.

We're looking for sponsors to help cover costs including uniforms (\$600), equipment (\$400), league fees (\$350), and field maintenance (\$250). The total amount needed is approximately \$1,600.

In return for your sponsorship, we would:

- Display your business logo prominently on team jerseys
- Mention your business in all team communications and social media posts
- List your business as a sponsor on our team banner at games
- Encourage families to support your business

Even a partial sponsorship of \$200-\$500 would make a huge difference. These kids practice right here in the neighborhood, and having local businesses support them creates a real sense of community pride.

Would you be available for a quick chat this week? I'd love to stop by with a couple of the kids to tell you more about our team and answer any questions. You can reach me at [phone] or [email].

Thanks so much for considering supporting our team!

Best,

[Your Name]
