

Creative Arts Festival Sponsorship Proposal

Subject: Be Part of Something Beautiful - Sponsor Our Arts Festival!

Dear [Potential Sponsor],

Imagine a weekend where our town square transforms into a vibrant celebration of creativity, with live music floating through the air, children laughing as they create colorful masterpieces, and local artists showcasing their incredible talents. That's the magic of the [Town Name] Annual Arts Festival, and we'd love for [Business/Organization Name] to be part of it.

For 15 years, this festival has been the heartbeat of our community's cultural life, attracting over 5,000 visitors and showcasing 75+ local artists. But here's the thing—this magic doesn't happen without support from community partners like you.

This year's festival (scheduled for [dates]) promises to be our biggest yet, featuring:

- Two main stages with 20+ musical performances
- 80 artist booths showcasing local talent
- Interactive art workshops for all ages
- Food vendors highlighting local cuisine
- A special "emerging artists" showcase for young talent

We're seeking sponsors who believe in the power of arts to transform communities. Your support doesn't just fund an event—it provides:

- Free admission for all families (keeping arts accessible to everyone)
- Scholarships for young artists to participate
- Quality sound systems and stages for performers
- Art supplies for children's workshops

Here's what your partnership includes:

Premier Sponsor (\$5,000+): Main stage naming rights, logo on all promotional materials, premium booth location, VIP reception invitation, featured business profile in program

Supporting Sponsor (\$2,500): Stage or area sponsorship, logo on banners and website, booth

space, program listing

Friend of the Arts (\$1,000): Logo on website and social media, program listing, festival admission passes

Community Sponsor (\$500): Program listing, social media mentions, festival admission passes

But beyond the marketing benefits, you'll be investing in something irreplaceable—the creative spirit of our community. Last year's festival generated an estimated \$200,000 in local economic impact and introduced countless families to the joy of artistic expression.

I'd love to meet over coffee to share our vision and explore how we can create a partnership that works perfectly for [Business Name]. Are you available sometime next week?

Let's make art happen together!

With gratitude and excitement,
