

Safety issue complaint

Subject: Immediate Attention Required for Safety Hazards

Dear [Landlord's Name],

I am extremely concerned about safety issues in my rental unit located at [address]. The front door lock is broken, leaving my family and me vulnerable. In addition, several electrical outlets appear to be faulty, creating a fire hazard.

For the safety of all tenants, I request that these issues be addressed immediately. Please treat this matter with urgency, as it affects our security and well-being.

I look forward to your confirmation that these repairs will be scheduled right away.

Respectfully,

[Tenant's Name]
