

## Formal scholarship appeal letter

Subject: Request for Reconsideration of Scholarship Decision

Dear Scholarship Committee,

I am writing to respectfully request a reconsideration of my scholarship application for the upcoming academic year. I recently received notification that my application was not approved, and I would like to provide additional context that may influence your decision.

Since submitting my initial application, I have achieved significant academic improvements, including raising my GPA from 3.5 to 3.8, and have actively participated in community service projects that align with the values of your scholarship program. I believe these accomplishments demonstrate my commitment and suitability for the scholarship.

I kindly request that you review my application again in light of this new information. I am more than willing to provide any supporting documents or references needed to assist in your reconsideration.

Thank you very much for your time and understanding. I greatly appreciate your consideration.

Sincerely,
