

Casual Foundation Day Speech for Alumni Gathering

Hello friends and fellow alumni,

It's wonderful to be back and celebrate our school's Foundation Day together. This day brings back memories of our school years and reminds us of the lessons, friendships, and experiences that shaped us.

Let's cherish the journey, reconnect with old friends, and honor the foundation that brought us together. Here's to the school that gave us knowledge, values, and lifelong memories.

Happy Foundation Day!
