

International shipping confirmation with customs information

Subject: International Shipment Confirmation - Order #[Order Number]

Dear Valued Customer,

Your international order has been dispatched from our facility and is currently in transit to [Country].

Shipment Information:

Order Number: #[Order Number]

International Tracking Number: [Tracking Number]

Shipping Method: [International Carrier]

Estimated Transit Time: 7-14 business days

Customs Declaration Number: [Customs Number]

Important International Shipping Notes:

Your package will clear customs in your country, which may cause additional delays. You may be contacted by local customs authorities or charged additional duties/taxes based on your country's import regulations.

All required customs documentation has been completed and attached to your shipment. The declared value is [Amount] as required by international shipping regulations.

For tracking updates, please use the international tracking number on the carrier's global tracking system. Due to the international nature of this shipment, tracking updates may be less frequent than domestic shipments.

Should you have any concerns about your international shipment, please contact our international shipping department at [Email] or [Phone Number].

We appreciate your patience with international delivery times and thank you for your business.

Sincerely,

[Company Name] International Shipping Division
