Important Security Information:

This package requires an adult signature upon delivery and cannot be left unattended. The carrier will make three delivery attempts before returning the package to our facility.

Please ensure someone 18 or older will be available at the delivery address during the expected delivery window. Valid government-issued photo identification may be required.

You can authorize alternative delivery instructions through the carrier's website using your tracking number, including delivery to a nearby secure pickup location if preferred.

This shipment is fully insured and tracked at every step of the delivery process. For security reasons, detailed tracking information is limited until the package reaches your local delivery facility.

For any security-related shipping questions, please contact our secure fulfillment team at [Secure Contact Information].

Thank you for your business and trust in our secure shipping services.

Regards,

[Company Name] Secure Fulfillment Division
