

Lighthearted, humorous apology letter to ease tension

Subject: Oops! My Bad

Dear [Wife's Name],

I admit itâ€”I was wrong about [specific incident]. If apologies were a sport, Iâ€™d win gold just for how sorry I am.

I promise to make it up to you with [fun gesture or plan]. Hope this brings a smile to your face even though I messed up!

Love and sheepish grin,

[Your Name]
