

Casual Community Event Sponsorship Acceptance

Subject: Yes! Let's Partner for [Local Event Name]

Hi [Business Owner Name],

This is so exciting! We absolutely want to accept your sponsorship offer for our [Local Event Name]. Your \$[Amount] contribution plus donating [products/services] shows incredible community spirit.

Here's what we're thinking for showcasing your business:

- Prime booth location near the main entrance
- Announcements during our opening and closing ceremonies
- Your flyers in every welcome bag (500+ attendees expected)
- Feature story in our event newsletter that goes to 2,000+ local families

Since we're keeping this community-focused and fun, we love that you want to do [specific activity - face painting, demos, samples, etc.]. The families are going to love it!

Let's grab coffee next week to iron out the details. I'm thinking Wednesday around 10am at [Local Coffee Shop]? My treat, of course!

Thanks for being such an awesome community partner. Events like this only work because of local businesses like yours.

Cheers,

[Your Name]
