## Subject Access Request Letter

I request that you respond to this SAR within the timeframe specified by applicable data protection

laws, which is usually one month from the date of receipt of this request.

Please include in your response all personal data that your organization holds about me, including

but not limited to:

1. Personal information such as my name, address, email address, and phone number.

2. Financial data, including transactions, payment history, and billing details.

3. Correspondence or communications between your organization and me.

4. Any profile information, preferences, or account settings associated with my account (if

applicable).

5. Records of any consents or permissions I may have provided regarding the processing of my

personal data.

6. Information regarding the sources from which my personal data was obtained, if not directly from

me.

7. Any other personal data that your organization may process about me.

If you are relying on any lawful basis for the processing of my personal data, I request that you

clearly specify the legal basis and provide relevant details.

I also request that, if any of the personal data you hold about me is inaccurate or incomplete, you

promptly correct or update it accordingly.

Please be aware that as the data subject, I have the right to lodge a complaint with the relevant data

protection authority if I believe that my rights under data protection laws have been infringed upon.

Thank you for your attention to this matter. I look forward to receiving a timely response to my

Subject Access Request.

Yours sincerely,
