

# Formal Application for Engineering Internship

Subject: Application for Summer Internship in Engineering Department

Dear [Hiring Manager's Name],

I am writing to formally apply for the Engineering Summer Internship position at [Company Name].

As a third-year Mechanical Engineering student at [University Name], I have developed a strong foundation in [specific skills], which I am eager to apply in a professional setting.

During my studies, I have completed projects involving [specific tools, systems, or technologies], and I am confident that these experiences have prepared me to contribute effectively to your engineering team. I am particularly drawn to [Company Name] for its reputation for innovation and technical excellence.

I would be grateful for an interview opportunity to discuss how I can be of service during the internship period. Thank you for your consideration.

Sincerely,

[Your Name]
