

# Academic research survey invitation letter

Subject: Request for Participation in Academic Survey

Dear Participant,

I am a researcher at [University/Institute] conducting a study on [topic]. As part of this research, I am seeking participants to complete a survey that will contribute valuable insights to this academic project.

The survey will take approximately 15 minutes and your responses will be kept strictly confidential. Participation is voluntary, and you may withdraw at any time without consequence.

Please access the survey using the following link: [Insert Link]

Thank you in advance for your time and valuable contribution to this research.

Sincerely,

[Researcher Name]

[Position]

[University/Institute]
