Lighthearted farewell message

Subject: Donâ€™t Forget Your Favorite Teacher!

Hi Class,

Well, itâ€™s officialâ€”Iâ€™m leaving before you have a chance to drive me completely crazy!

Jokes aside, Iâ€™ll miss your humor, your questions, and even your occasional chaos. You made teaching fun, unpredictable, and full of surprises.

Remember, life is a lot like school: you never stop learning, and sometimes there are pop quizzes. So stay prepared and keep your sense of humor!

Thanks for all the memories,

[Your Name]
